Customer No. : 23911
Title : **Body Assembly and Method of Making Same**

SUPPLEMENTAL AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The following supplemental amendment is submitted in response to the Office Action dated June 15, 2004. Applicants undersigned attorney filed an Amendment on September 15, 2004, in response to the above-noted Office Action. In this Amendment, in the second paragraph of the Remarks section on page 12, Applicants undersigned stated that our records did not reflect a discrepancy between the fifth inventors citizenship information in the Application Data Sheet and the Declaration. Upon closer review of the file and further to a telephone call from Examiner Engle the discrepancy was noted. Attached herewith is a Supplemental Application Data Sheet as well as a newly executed Supplemental Declaration for inventor, Robert Oggianu correcting his citizenship. The Examiner is thanked for drawing this discrepancy to our attention.
